GAIRIK BANERJEE'S CAREER PROFILE

Entrepreneur • Company Director • International Political Affairs
Advisor •
International Business Development Professional

A FEW CAREER HIGHLIGHTS

Built Renewable Energy company (Onshore Wind/Biomass) from the ground up in Central/Eastern Europe, putting together project pipeline of over 400 MW in 2 years.

- # Facilitated Green Energy One (formerly Naanovo) expansion in Europe.

- # Coordinated tie-ups with US and EU Green Energy technology-providers for Global Indian principal.

- # Worked with Enron Intelligent Energy Group, focusing on transnational infrastructure development for the top-secret Clathrates project, and also serving other Enron businesses:
 - ___o Nowa Sarzyna (1 16 MW) Gas-based CHP venture (Poland).
 - ___o TGS (Transportadora de Gas del Sur) gas pipeline (Argentina).
 - ___o Sarlux (548 MW) IGCC power plant and power distribution network (Sardinia, Italy).

- # Advised East European governments/agencies on privatization and entrepreneurship.

- # Advised on M&A activities.

- # Headed Latin American and European business development for Wal-Mart.

- # Lobbied the Clinton (42nd) White House & US Congress. Wrote two paragraphs of the report language for NAFTA and deposited before the 104th Congress of the United States on International Trade matters.

- # Developed 'Profile Management System' buying 74% of the total merchandise inventories for the world's largest retailer (Wal-Mart Stores Inc.).

- # Pioneered web-centric staffing business for the Trade Shows, Conventions and Promotions industry.

- # Created Hollywood's first web-centric model/talent agency gateway.

Geschäftsführer | CEO, Central & Eastern Europe | Director, various East European subsidiaries

2007 - 2012 (5 years)

Vienna, Austria | Den Haag, Netherlands | London, England | Kyiv, Ukraine

OGPE was a subsidiary of the Shriram Group – consolidating SEPC's energy assets and interests in CEE. Shriram EPC itself is the Engineering, Technology and Manufacturing arm of the Shriram Group (www.Shriram.com).

Built a start-up company (using the BOOT – Buy/Own/Operate/Transfer – Business Model): focusing on wind / solar / tidal / biomass / waste heat / District Heating / other project development and asset acquisitions in CEE. Developed project pipeline of over 400 mW.

Oversaw projects across the Balkans and elsewhere -- Estonia, Latvia, Lithuania, Croatia, Hungary, Slovakia, Czechia, Slovenia, Bulgaria, Moldova-Gagauzia, Ukraine, the Soyuz pipeline across Russia.

Directed a biomass/ biofuels+CHP start-up company tasked with 5 plants across Europe.

Negotiated coal assets buy (80 M MTs reserves) in the Kuzbass, Novokuznetsk basins (Siberia, Russia; Caucasus / Georgia, Donetsk / Luhansk, Ukraine)

Models Inc | AMPV (American Motion Picture & Video)

President, Principal and Founder

October 2001 - September 2007 (6 years)

Hollywood, California, USA

Original promoter/conceptual founder of the company (along with Hollywood celebrities Walter Matthau and Jack Lemmon) – was involved from the beginning in 1992-93, till exiting in 2006-2007.

Built the company from inception, to USD 147 Million in group annual revenues.

Serviced the Movie/TV, Advertising-Promotions and Conventions-Trade Shows industries. Customers included Disney, GE-NBC-Universal, Columbia-Sony, DreamWorks, Time-Warner, Fox, ParamountViacom, CBS, ABC, MGM, AMC, Hallmark, LionsGate, Lever Bros, Proctor & Gamble and many more.

Acquired 24,642 acres of western US wilderness/agricultural property; a small rural utility company; several technology, real estate and international trading ventures, and land banks in Bolivia, Paraguay, Chile and Argentina. Set up offshore operations, helped Hollywood investors with offshoring.

Frontiers Consulting & Contracting (aff. w/ Kissinger Trust, US
Depts. of State, Comm, Defense)

Partner, International Energy Practice | USAID - CEE / Turkey-
Caucasus-Iran / Af-Pak-Tajik theatres

October 1995 - September 2001 (6 years)

Consulted with Enron's intelligent energy strategic development group
on various projects, encompassing Clathrate/Oil Shale exploratory strategy
and international infrastructure projects -- Sarkux, Sardinia; Nowa Sarszyna,
Poland; Transportadora Gas del Sur Pipeline, Argentina; Algerian-Moroccan-
Canary Islands Offshore, etc.

Advised governments and facilitated privatizing companies in the former
Soviet Bloc.

Acquired controlling stakes in former state-owned assets undergoing
privatization – Treximco (Romanian ordinance dept.) and Marex Poland
(ceramic/porcelain), along with local partners.

Executed civilian contracts (ceramics) (Bosnia, Albania) and military
contracts (Lebanon, Syria, Jordan, Tunisia, Yemen-Sana'a).

Set up liaisons with state and non-state leaders from across the post-Soviet
Bloc.

Supported programs promoting Muslim women's education in the Kabylia
(Algeria), Tajik/Af-Pak and Caucasus-Nagorno-Karabakh-Azerbaijan areas.

Wal-Mart International

Vice President Of Business Development | Multiple positions during
progression of career development

September 1989 - October 1995 (6 years 2 months)

USA, South America, Europe

Captained team in the International Business Development area.
Spearheaded and supervised expansion efforts in Latin America, Europe
and the Middle East. Built the anchor infrastructure for expansion into various
foreign markets.

Organized company's exploratory push into various European markets –
including UK, Germany, Russia, France, Italy, Sweden, Spain, Poland, Ukraine
and Turkey.

Testified (as expert witness) before the 104th Congress of the United States on intl. trade issues.

Established liaison offices in Europe, South America, North Africa and the Middle East, accounting for about 8% (by dollar volume) of Wal-Mart's merchandise import budget.

Helped organize Wal-Mart International's Shipping and International Logistics infrastructure.

Saved Wal-Mart large sums by designing the FSC (\$144M) and Duty Drawback (\$209M) programs for the group's global sourcing and supply chain activities.

Established Wal-Mart's Multinational Customs Classification/Clearance operations, affecting USD 8.3 Billion of merchandise in FY 1994-95 alone.

Created the idea of Walmart.com (the online retail store portion only) in 1995. Authored 'Profile Management System' and acted as Business Analyst for Team RetailLink™ (Wal-Mart's EDI-based buying/merchandising system).

1st US Presidential Campaign of William Jefferson Clinton, Esq,
Democrat of Arkansas, 42nd POTUS
International / Post-Soviet Policy Adviser
October 1990 - December 1992 (2 years 3 months)
United States

Authored white paper ('Food for Wood' brief) postulating an US-Russian mutual economic recovery pact based on a proposed triangular relationship between US Big Timber, remote Siberian district govts (e.g., Irkutskaya Oblast), and the Trans-Siberian Railway (then controlled by the Krasnye Armye).

Advised US Presidential candidate and key US Senate and Congressional (House) staffers, and formulated campaign position recommendations based on post-Soviet East European policy research.

Directed the efforts of several key campaign contributors and lobbyists successfully to get Mr. Clinton win 1991 Democratic Primary and elected to the White House.

Facilitated relationship between Wal-Mart (and the US Mega-Retail industry) and the Clinton (42nd) White House.
