Message from CEO

yodto.in - The revolutionary Online Ordering & Delivery Platform is ready to transform the million of Restaurants & Retailers in India to save them from the current Monopolistic Aggregators. These Aggregators are actually running large central kitchens and stores, diverting majority of the orders to themselves depriving the local small businesses of their legitimate business opportunities.

In the Post-Pandemic world, Online ordering is not an option but competition. For consumers, it is for safety. For the business to be survival revenue. To bring back customers to these deserted business premises, Contact-Less Ordering is a path beyond and only hope.

We invite you to partner with us to transform India to claim your stake in this huge & sustainable financial opportunity for you and your next generations.

On it's Journey to \$5 Trillion economy, this is our 8 years contribution to India's Global Technology Leadership.

Let's Start Today!
